**HELP US BUILD A STAGE
WORTHY OF THE SPOTLIGHT**

For over 60 years, Carousel Theatre has brought live theatre, music, and arts education to Indianola — all run by passionate volunteers who care about our mission.

Now, we are working to secure a vibrant future with a permanent home in the heart of Indianola.

Our Capital Campaign will fund a cultural arts center and create an endowment to support the next 60 years of creativity, connection, and community impact.

You can help — through donations, estate gifts, or volunteering. [Click here or use the QR code above to learn more and donate to the Carousel Capital Campaign today.](#) Let's build a lasting legacy for the arts — together.

A HEARTFELT THANK YOU TO PRINCIPAL FINANCIAL GROUP!

Carousel Theatre of Indianola is excited to share that we were recently gifted two MacBook Pros from Principal Financial Group! These computers will support our board's work behind the scenes and help enhance future productions — from planning and design to community engagement.

We are deeply grateful for Principal's generosity and their continued commitment to supporting local arts and non-profit organizations.

Thank you, Principal Financial Group, for including us in your #PrincipalGivesBack campaign! Your support helps keep creativity alive in our community.

ALMOST, MAINE: A TRIUMPH OF LOVE

Almost, Maine, delighted each of its audiences with various vignettes of love; ranging from true love stories to tales of heart ache. Real and relatable, the actors portrayed human emotion in genuine ways that held captive those privileged enough to witness it.

The technical portrayal of the Northern Lights made the entire experience more magical; and the setting, made simply, kept the focus on the stories being told. In truth, it might be one of Carousel's coziest, intimate, picturesque achievements.

From all of us at Carousel, thank you for joining us during this celebration of love and cozy nights!
